Cozy Delights

Nothing beats the chill of Winter quite like piping hot cheese fondues, delicious wine, and sultry jazz. Picture pots of Gruyère and Emmentaler for ladling, dipping, and smearing with a selection of delicious bites, accompanied by exceptional Delheim wines, and with melodic jazz tunes performed live by talented, local musicians in the background. This is what you can experience at the annual Delheim Jazz and Cheese Fondues, taking place on 2, 9, 16, 23, and 30 July and 6, 9, 13, 20, and 27 August 2017 at the Delheim Estate in Stellenbosch. Get snug in Delheim's intimate underground wine cellar and get lost in festive food-sharing at its very best. These kind of good times are what Delheim has become famous for. To reserve your seat at Delheim's Jazz and Cheese Fondues, email restaurant@delheim.com or call +27 21 888 4607.

Winning Gins

Home-grown, handcrafted dry gin, Ginifer, has been recognised with three international awards in the American Distilling Institute's craft spirits competition, while Westcliff, a gin that belongs to the same stable, was also recognised for its quality. Evaluated in a blind tasting, the judges were unanimous in their scoring of the gins. Manufacturer of the spirits, Jaqueline Grobler, says, "A good gin can easily be distinguished from the next – each has a particular taste profile and unique scent. This makes gin cocktails interesting." Get these award-winning gins online at www.ahbev.com or from leading bottle stores, bars, and restaurants nationwide. For more information, visit www.ginifergin.com.
